

INDEX TO OLD-LORE SERIES

Compiled by J.A.B. Townsend

Volume I, part 1 - Volume X, part 7

The Old-Lore series was issued in 75 numbers from 1907 to 1946, and comprises three separate series:-

1. Old-Lore Miscellany of Orkney, Shetland, Caithness and Sutherland.
2. Orkney and Shetland Records (see p.23).
3. Caithness and Sutherland Records (see p.23).

These three series have been indexed separately, but the index to the Miscellany, which is the major series, can be taken as the master index. In it, all the numbers in the continuous series have been included, and I have indicated where individual numbers comprise parts of one of the other two series.
